At Boca West, the quest for an active, healthy lifestyle isn't just a passing fad. It's woven into the fabric of life here. Testament to this is our new expansive Sports Center. A hub of activity, the Sports Center caters to a variety of recreational pastimes.

Our multi-purpose fitness center and aerobics studio boasts exercise and cardiovascular equipment, classes and available Personal Trainers. And because such endeavors require energy, you're never far from our relaxed poolside eateries, MyPi Restaurant and Splash Pool Bar at The Sports Center.

Aquatics

The focal point of the Sports Center is our sprawling free-form pool complete with cascading waterfalls, casual pool bar, bridges and lush tropical foliage, as well as a children's area, an adult lap section, outdoor spas, even an area for quiet introspection.

We offer something for everyone at the Boca West Aquatics Center. Activities ranging from water aerobics to lap swimming to relaxing poolside can fill one's daily to-do list. Swimming lessons taught by certified instructors are available for those looking to brush up on their strokes or learning to swim for the very first time. Water basketball and volleyball are just two of the many activities for children as well as adults. But if you are looking for a quiet place to read or relax, take a walk to our adults-only pool deck and relax to the soothing sounds of our waterfall.

We encourage you to escape from the pressures and pace of everyday life, to encounter a delightful sanctuary where you are treated like royalty. A place where every one of your face, body and spa care needs are met with precision and expertise. Experience an ambiance of serenity and ultimate relaxation. Enjoy the benefits of our luxurious spa environment in the capable hands of our professional Skin Care Experts and skilled Massage Therapists. Let us help you unwind and release the pressures and stress that stand in the way of achieving a healthier, more radiant and youthful you.

The Boca West lifestyle isn't just about feeling your best. It's also about looking your best. Our complete salon will pamper and beautify you from head to toe, with a multitude of services including custom hair design, coloring, waxing, manicures and pedicures, cosmetic consultations and bridal services.
